

China Life MPF Member Online Account Two-Factor Authentication User Guide

Member Online Account for Website & Mobile Apps

- Same account for website and mobile apps
- **Website:** www.chinalife.com.hk First click “Login” in the top-right-hand corner and then select “Hong Kong MPF” under “Individual”
- **Mobile apps:** Download “China Life MPF” (iOS or Android) and click “Member Login”

What is Two-Factor Authentication (2FA)? When do I need to use 2FA?

- A more secure and reliable identity confirmation method
- For login, a one-time verification code will be sent to your mobile no. or email address held by record of China Life Trustees Limited every time. Verification code (together with the password you have set) is a must to login
- To register online account for first-time* and/or to reset password, verification code is also required to work with your HKID/passport number and date of birth

First-Time Registration

Login

Reset Password

* If you have registered with other China Life MPF account(s) before, no re-registration is needed.
